## **A Message From Malia**

We take pride in offering Museum Quality picture framing and Art Consulting services since 1993. As the owner, I have a passion for art and hold certifications from the Center for Media Arts program in Miami and the School of Visual Arts in New York City. With my Certified Picture Framing designation in 2004 and Master Certified Picture Framing designation in 2008, I ensure that every piece is framed to perfection. At Purple House Gallery, we specialize in framing a wide range of items, from fine art and photographs to artifacts, memorabilia, posters, diplomas, and more.. Our level of design and expertise sets us apart in the custom framing market. We understand that your art is precious to you, which is why we handle everything in-house, from selecting the perfect moulding to the final assembly. Your satisfaction is our guarantee. We are dedicated to using the highest quality conservation products to preserve your artwork. Our expertise not only enhances the beauty of your art but also allows your unique personality to shine through. Trust us with your framing needs, and let us transform your art into a timeless masterpiece.
